

I'M RAISING FUNDS TO SAVE LIVES

I'm fundraising in aid of Anthony Nolan, the charity that saves the lives of people with blood cancer.

YOUR SUPPORT CAN SAVE LIVES

Anthony Nolan is a pioneering charity that saves the lives of people with blood cancer, using their donor register to find stem cell transplants for those in desperate need.

But there are still patients who can't find a lifesaving donor – and that's why your support is so vital.

To find out how you can get involved, visit www.anthonynolan.org

Thank you.
