HOW TO ORGANISE A COFFEE MORNING

A great opportunity to get your favourite people together, catch up and raise vital funds to help grow the work of Anthony Nolan!

PLANNING THE DAY
• Choose a date that doesn’t clash with events in your community
• Choose your venue: at home, in a local community centre or even at work
• Get your community involved – are there any local groups who may want to run a stall or help in some way?
• Don’t forget not everyone likes coffee, include tea and soft drink options for your younger guests
• Ask your local supermarket or bakery if they would donate some cakes to help keep your expenses down
• Volunteers: make sure you have helpers to set up, to serve the coffee and to bake some cakes!

HELP WITH FUNDRAISING
• Ask for a donation for drinks and food
• Add some extra activities: have a tasting competition and ask your friends to vote for their favourite cake, hold a quiz, or hold a jumble sale, clothes swap or raffle
• Make sure you tell us about it and we can send you out some materials to brand your event.

KEEP IT SAFE
Take a look at the Food Standards Agency website in advance to ensure that you follow their guidance when selling food. It is good practise to accurately label any food with any ingredients that could cause an allergic reaction. For more health and safety guidance please see our fundraising guidelines.

SPREAD THE WORD
• Advertise your coffee morning at work, social clubs and local businesses using our charity branded posters
• Speak to your local groups to see if anyone is interested in attending (for example religious groups, sports groups, volunteer groups or toddler groups).

AFTER THE DAY
• Send a quick email or text to anyone who helped you straight after your coffee morning to thank them for helping
• Get your event in any local papers or newsletters. Send a press release with a photo and final total
• Send in your donations to Anthony Nolan as soon as possible after the event and let everyone know how much was raised.
