

saving the lives of people with blood cancer

CATCH THE COURIER!

Courier Peter (a lot like Where's Wally, only even more awesome) is somewhere on Planet Earth right now, racing from country to country to deliver precious stem cells for Anthony Nolan and save a life. The trouble is, we don't know where he's got to! Can you guess which continent our courier is in?

How the game works:

1. Choose the location of the courier and write it down before you start, keep it somewhere safe!
2. Set a date for the big unveiling and get the word out (maybe even make a day of it by running it alongside a bake sale or other fab fundraising event!)
3. Ask your friends, family, and colleagues to guess where the courier is by writing their name on the grid for a suggested donation of £2
4. The big date is here - announce the lucky winner and award them with a great prize or your eternal love, and make the all-important fantastic donation to Anthony Nolan
5. Send the money you've raised to **Community Team, Anthony Nolan, Unit 2 Heathgate Place, 75-87 Agincourt Road, London, NW3 2NU**
