

BECOME A LIFESAVER

For someone with blood cancer, an amazing matching stranger donating their stem cells could be their best chance of survival.

You could be that stranger.

If you're aged 16-30, join the Anthony Nolan stem cell register and, one day, you could save a life.

Pretty incredible, right?

HERE'S WHAT TO DO:

1

Scan the QR code to sign up online

2

Swab your cheeks using the pack we'll send in the post, and post it back.

3

Feel heroic.

You'll be ready and waiting to save a life!

WITHOUT YOU, THERE IS NO CURE.
