saving the lives  
of people with  
blood cancer

|                | Activity   | Date | Hours | Initials |
|----------------|--|------|-------|----------|
| <b>Month 1</b> | Educate to advocate - Learn about all things Anthony Nolan.  |      | 1     |          |
|                | Decide on the format and logistics of your presentation.   |      | 1     |          |
|                | Seek permissions for you to hold your presentation.  |      | 2     |          |
| <b>Month 2</b> | Raise awareness! Plan your campaign and start getting the word out both online and offline. Debunk myths, share the facts, and make sure EVERYONE knows about Anthony Nolan. |      | 2     |          |
|                | Deliver your Anthony Nolan Talk. (Good luck!)  |      | 4     |          |
| <b>Month 3</b> | Share your success. Let teachers and students know and send a press release to your local paper.   |      | 2     |          |
|                | Create a Just Giving page to get the lifesaving funds flowing in, and share it on social media.  |      | 2     |          |
| <b>Month 4</b> | Start planning an unmissable fundraising event.  |      | 2     |          |
|                | Get permissions to hold your event.  |      | 2     |          |
| <b>Month 5</b> | Promote your event online and in school.   |      | 2     |          |
|                | The big day - Hold your event!   |      | 2     |          |
| <b>Month 6</b> | Wrap up and evaluate - share the total you raised and thank everyone involved.   |      | 2     |          |
|                | Pay in your money, and kick back knowing your volunteering has made a lifesaving difference! Great work!   |      | 1     |          |
