saving the lives  
of people with  
blood cancer

# FUNDRAISING FOR EVERY MONTH

Looking for inspiration for how to raise lifesaving funds throughout the year? Then take a look at our fundraising calendar for a full 12 months of making a difference!

## January

New years resolutions! Give something up for the whole of the month and ask people to sponsor you for the struggle

## March

British Pie Week. Invite family and friends over for a homecooked (or shop bought, we won't tell) pie. Or ask guests to bring their own pies for a tasting session! What they would have paid in a restaurant is how much they can donate.

## May

National Walking Month. Gather your friends and family to join you on a sponsored stroll. Ask for donations to attend and help cure blood cancer mile by mile.

## July

National Fishing Month. Fundraise as you fish! Get a group together and donate a few pounds for each fish caught.

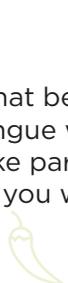

## September

Blood Cancer Awareness Month. Also, look out for World Marrow Donor Day on 19 September. Hold an event full of green for Anthony Nolan. Green clothes, green food, green drinks. Get in touch for green materials!

## November

Chilli eating contest. What better way to warm up than testing your tongue with hot chillis? Ask for donations to take part, donations to watch, and donations if you want to Instagram story the whole thing...

## February

Student Volunteering Week. Plus, 4 February marks World Cancer - shout about your fundraising from the rooftops (or social media). It's the perfect way to inspire people, raise awareness and gather those donations.

## April

Celebrate World Health Day's on the 7th. April also means National Pet Month. Get a furry friend to help you fundraise! We've had bucket collections hosted by greyhounds, 'Name the Chickens' and llama farm open days!

## June

Look out for Volunteers' Week. And pack a hamper full of goodies to mark International Picnic Day. Ask for donations for your impeccable organisation!

## August

Sponsored Swimathon. Challenge yourself and your friends to see how far you can swim, or in how many pools/lakes/seas! Have a race or even a relay.

## October

Show your friends and family donating isn't scary at a spooktacular Halloween party. Get your guests to wear their creepy costumes and donate lifesaving funds.

## December

Present wrapping. Some people hate wrapping presents, so take the pressure off by offering your fancy wrapping skills for donations!
