

STEPCOUNT SWEEPSTAKE

Name:

GUESS HOW MANY STEPS I'LL TAKE DURING WALKING TOGETHER!

Please donate £ for each prediction and you'll help to give people with blood cancer a second chance of life. Grab a pen and give your guess. The person who picks the closest number to my actual stepcount will win!

saving the lives of people with blood cancer

SWEEPSTAKE TOP TIPS

1. Prepare your sweepstake

Print off as many sweepstake sheets as you need and source a top prize! Maybe some chocolate, wine, or free lunch on you?

2. Get the guesses going

Ask friends, family and colleagues to make their predictions in return for a donation to your fundraising.

3. Count your steps

Maybe not in your head... use a pedometer, smartwatch or an app on your phone to record your steps on the day. Take a photo or screenshot at the end of your walk to prove it!

4. Declare the winner!

The lucky person to guess closest to your stepcount (or guess exactly!) is the winner. Hooray!

5. Pay in your donations

The easiest way to collect your donations is on your JustGiving page. If you collect cash, you can pay that in on your JustGiving page when it's all over too. Easy.

Time for people to get guessing!
