

How to Organise your Love Island Sweepstake

Couple up with your TV screen and hold a sweepstake this summer to get into the Love Island fever and raise lifesaving funds for Anthony Nolan.

Crack on with a group of keen sweepstakers, from lovestruck melts to proper sorts among your friends and colleagues.

Give your sweepstakers a chance...

Take time to size up the couples for the first few weeks. With so many islanders making head-turning entrances and embarrassed exits from the villa, they'll need to wait for things to heat up.

How many sweepstakers are up for it...

And when the same amount of Love Island couples are left, kick off your sweepstake.

Send the text!

Write out the names of all the couples in the villa on the tickets below. Ask your sweepstakers to pick a ticket from a cocktail glass and make a suggested donation of £2 – don't let them see it though! In true Love Island fashion, you can send them a text to let them know the couple they have chosen. Make a note of these using our record sheet.

Eliminate the unlucky ones...

Send a text to remove them from the sweepstake. Break it to them gently so they don't feel they're being pied off.

Enjoy the antics of the final...

And the nail-biting split and steal moment. Afterwards, award the winner a great prize and make your all-important donation to Anthony Nolan.
