Fundraising Ideas

Your school can support Anthony Nolan by raising lifesaving funds! Here are some ideas you can use to kickstart your fundraising:

Dress down day

Hold a fun dress down day at your school or college. This could include fancy dress, glitter face paint, or crazy hair – it's up to you!

Quiz

Hold a classroom quiz at your school or college. You could ask for a donation to take part, and offer a prize.

Bake Sale

Run a bake sale during your lunch break. Let everyone know they can come along and buy a tasty treat while raising awareness and funds for Anthony Nolan.

School disco

Organise a school disco and ask for a donation to attend or in exchange for refreshments.

Fitness challenge

Set your school or college a target and get sponsored. Can you do 100 burpees a day for 30 days? Can you manage 10,000 steps every day? Whatever you do, make it a challenge!

Raffle

Boost your fundraising and hold a raffle at events in your school calendar such as school fairs or sports days.

Sponsored events

Hold a sponsored event at your school. Whether it's walking, running, dancing or cycling – it's up to you. You can collect sponsorship through an online fundraising page or use our sponsorship forms. An easy way to involve all students!
