

GET LIFESAVER READY

If you're aged 16-30, in good health, and want to help someone with blood cancer, then you're ready to join the Anthony Nolan stem cell register.

- > **SIGN** up online
- > **SWAB** your cheeks
- > **SEND** it back to us

And you'll be ready and waiting to be a match for someone in desperate need of a lifesaving transplant.

Visit anthonymolan.org/join to get #LifesaverReady

**ANTHONY
NOLAN**

saving the lives
of people with
blood cancer
