

HOW TO ORGANISE YOUR TOUR DE FRANCE SWEEPSTAKE

Gear up for the Tour De France by starting your own sweepstake this July. Your sweepstake could be the perfect way of enjoying the most exciting event in the cycling calendar and raise lifesaving funds for Anthony Nolan. How to organise your Tour De France Sweepstake

1 Before the race begins,

write the names of the 22 different teams racing in the Tour De France on the tickets below. Cut these out, fold them and drop them all into a bicycle helmet.

2 Ask sweepstake entrants

to draw one of the twenty two teams racing the Tour De France and make a suggested donation of £2. Keep a record of who has picked which team, using the sheet <over the page>.

3 Over the 23 days of the race,

you can send out leaderboards, showing which teams are in the lead to heat up the competition! You can also award prizes along the way for which cyclist wins the polka dot jersey for the fastest mountain climb or the white jersey for best young rider.

4 Once the race winner

is given their yellow jersey on the Champs-Élysées on the final day, give the player(s) with their team's ticket a prize of your choosing - or simply your endless admiration!

5 Donate the vital funds

your sweepstake has raised to Anthony Nolan to help save the lives of people with blood cancer.
